8 **PROTOCOL FOR THE SCRUTINY OF CRIME AND DISORDER MATTERS, FOR INFORMATION**

The sub-committee noted the protocol which outlined the key provisions of the relevant legislation, the Terms of Reference of the sub-committee, its duty to meet at least once a year, the role of scrutinising the CSP Plan and performance reports, the ability to give notice to responsible authorities to require their representatives to attend sub-committee meetings or to provide information required for Scrutiny.

9 **VULNERABLE VICTIMS - REPORT BY THE COMMUNITY SAFETY MANAGER**

The Community Safety Manager presented the Vulnerable People Action Plan 2016/17 and talked Members through the report, which included actions focussing on older people, disabled people and young people. The sub-committee noted the challenges for the district and the progress which had been achieved to date under each action.

The Community Safety Manager focussed on particular aspects of the plan, including: tackling the impact of severe weather on older people; Dementia Friendly training opportunities; and initiatives involving Collyers College regarding young people's personal safety. It was also noted that an outreach worker had been employed by the Council, in association with Worthing Churches, for one year to work on a series of objectives to assist homeless people.

Members were advised that a campaign targeting young people regarding the dangers of drugs, in particular cannabis which had becoming more potent and dangerous in recent years, would be undertaken next year.

Members welcomed the progress that was being made with the Action Plan.

10 **SHOP LIFTING AND BUSINESS CRIME - REPORT BY THE NEIGHBOURHOOD POLICING TEAM INSPECTOR**

The Shoplifting Performance Improvement Action Plan for 2016/17, led by the Neighbourhood Policing Team Inspector, was presented to Members by the Community Safety Manager, who summarised the progress that had been made during the first half of the year. Members were advised that approximately 80% of shoplifting in Horsham Town was carried out by a small number of local people known to the police. The Shop Watch Scheme, which many of the larger stores were members of, would be re-invigorated in the new year to raise its profile and increase its effectiveness.

The Community Safety Manager advised that there was a case for a two person team to patrol the community to help address shop lifting and other issues, possibly including littering, fly posting, and reporting damaged pavements.

- Members requested that progress towards establishing such a team be scrutinised at the next meeting of the sub-committee.

11 **CASUALTY REDUCTION - REPORT BY THE STATION MANAGER, WEST SUSSEX FIRE & RESCUE SERVICE**

The Casualty Reduction Action Plan for 2016/17, led by the West Sussex Fire & Rescue Service, was presented by the Community Safety Manager, who outlined the strategic objectives of this priority and the progress which had been made so far this year. The focus for action was on younger drivers, with a number of initiatives in place, and also on older drivers.

The sub-committee recognised that this was a complex issue with the statistics not necessarily reflecting the positive work that was being done to improve safety and raise awareness.

12 **DATE OF THE NEXT MEETING**

The next meeting, which would review progress of the action plans at the year end and discuss the plans for the forthcoming year, would be arranged for 27<sup>th</sup> April 2017.

*The meeting closed at 6.50 pm having commenced at 5.30 pm*

## **PROTOCOL FOR THE SCRUTINY OF CRIME AND DISORDER MATTERS** **Horsham District Council**

### **1. Introduction**

The power to scrutinise local Community Safety Partnerships (CSP) is granted through a number of pieces of legislation including: The Police and Justice Act 2006, the Local Government & Public Involvement in Health Act 2007. Most recently however the Crime and Disorder Overview and Scrutiny Regulations 2009 (and statutory guidance) has granted local authorities new powers for the scrutiny of crime and disorder and Councillor Call for Action (CCfA).

The legislation has widened the provisions of Overview and Scrutiny and defines those crime and disorder functions or matters that may be considered by Overview and Scrutiny Committees and those that are considered 'excluded matters'.

These require that every local authority has in place a committee with power to review and scrutinise, and make reports or recommendations, regarding the functioning of the responsible authorities (*which include*): *Horsham District Council, West Sussex County Council, West Sussex Fire and Rescue Service, Sussex Police, the Primary Care Trust and Surrey and Sussex Probation Service*) that comprise a Community Safety Partnership (CSP). The new legislation forms part of the Government's commitment to strengthen the accountability of local CSP's and enhance the role of local councillors and local communities in preventing and reducing crime. In Horsham District, the Scrutiny and Overview Committee has been designated the "Crime and Disorder Committee" for the purposes of scrutinising crime and disorder matters.

### **2. Purpose of the Protocol**

The purpose of this protocol is to define the manner in which the Scrutiny and Overview Committee can scrutinise the Horsham District CSP and its partners with a view to facilitating good working relationships throughout the scrutiny process.

### **3. Principles of the Community Safety Scrutiny Operation**

- (i) Community Safety Scrutiny is intended to be positive, objective and constructive. It should acknowledge good practice and recommend improvements where it feels these would be of benefit. The Scrutiny process should focus on service outcomes and seek to add value and drive improvements to public services.

- (ii) Community Safety and reducing crime and disorder for the people of Horsham District is dependant on many factors including the services provided through the Community Safety Partnership. This shared responsibility will be acknowledged by the Overview and Scrutiny Committee when undertaking scrutiny reviews.
- (iii) At all times, both Officers and Members of the organisations involved in crime and disorder scrutiny, representatives and Members of the public will be treated with respect and courtesy.
- (iv) The key organisations involved in the scrutinising of crime and disorder must be willing to share information, knowledge and reports which relate to the delivery and success of services in Horsham District, and carry out duties that would be reasonably expected of them to enable crime and disorder scrutiny to be successfully undertaken.
- (v) Crime and disorder scrutiny will be open and transparent.

#### **4. The key provisions of the legislation**

These are as follows:

- (1) Every local authority is required to have in place a Crime and Disorder Committee with power to review and scrutinise, and make reports and recommendations, regarding the discharge by the responsible authorities of their crime and disorder functions;
- (2) Crime and Disorder Committees must meet at least once a year;
- (3) Responsible authorities or co-operating bodies (*non statutory CSP members*) must provide such information requested by the Crime and Disorder Committee within the timescales identified in the request;
- (4) Crime and Disorder Committees can request the attendance of a representative of a responsible authority or co-operating body in order to answer questions;
- (5) Responsible authorities or co-operating bodies must respond to any recommendations made by the Crime and Disorder Committee within 28 days.
- (6) Crime and Disorder Committees can co-opt additional members to serve on the committee to add value and expertise to the Committee's work. Co-optees can include any person except a member of the local authority's executive.

## **5. Terms of Reference for the scrutiny and overview of crime and disorder in Horsham District**

The function and terms of reference of the Scrutiny and Overview Committee in relation to Crime and Disorder issues are as follows:

- (1) to scrutinise the work of the CSP and the partners who comprise it, insofar as their activities relate to the partnership itself;
- (2) to make reports and / or recommendations to the Council with respect to the discharge by the CSP of its crime and disorder functions;
- (3) to act as a 'critical friend' of the CSP, providing it with constructive challenge at a strategic level rather than adversarial fault-finding at an operational level;
- (4) to consider Councillor Call for Actions (CCfAs) that arise through the Council's CCfA process and which relate to Crime and Disorder matters.

**Work Programming** - The CSP will be advised in advance of any scrutiny review relating to a crime and disorder issue that the Scrutiny and Overview Committee is intending to undertake as part of its annual work programme.

**Scrutiny Topics** - These may include scrutiny of the CSP partnership plan, the strategic assessment, performance reports, or any activities relating to crime and disorder matters which are co-ordinated at district level. It is recommended that performance against the partnership plan be considered as the benchmark for any selected topic.

**Notice of required attendance at scrutiny meetings** -The Scrutiny and Overview Committee will give **at least 4 weeks notice** to responsible/co-operating authorities requesting their attendance at a scrutiny and overview meeting. Attendance requests will clearly outline the scope of the scrutiny exercise.

**Notice of Information required for scrutiny** -The Scrutiny and Overview Committee will give **at least 4 weeks notice** to responsible / co-operating authorities requesting information relating to the planning and operation of crime and disorder reduction activities and strategies that it requires in order to facilitate the overview and scrutiny process. Information provided by responsible/co-operating authorities should be depersonalised, unless the identification of an individual is necessary or appropriate for the Overview and Scrutiny Committee to properly exercise its powers. The information should also not include information that would be reasonably likely to prejudice legal proceedings or current or future operations of the responsible authority/co-operating authorities.

**Making and Responding to Recommendations** - At the conclusion of its study, the Scrutiny and Overview Committee will consult the CSP on any draft reports and associated recommendations before they are published. Final reports and recommendations will be sent to the relevant responsible / co-operating authorities that are affected by the report or recommendations, plus other individuals or organisations that contributed to the study. As required by the legislation, responsible / co-operating authorities must respond to any relevant recommendations made by the Scrutiny and Overview Committee within 28 days of receipt.

**Monitoring the Implementation of Recommendations** - The Scrutiny and Overview Committee will monitor, as appropriate, progress in implementing any recommendations.

**Reviewing the Protocol** - This protocol will be kept under regular review to ensure it remains fit for purpose and compliant with emerging legislation.

Action	Quarterly Progress Update	Status (R A G)
<p>COSTS (Company Operator Safer Transport Scheme). Plan an event aimed at the business community within West Sussex to promote safer driving. Engage with local business community to promote this scheme.</p>	<p>Plans to use current costs package to developers in Storrington due to complaints around Rydon School and Browns. SSRP have planned some dates in with DVSA for infringements and checks for HGVs. Costs will be moved to a mostly on-line resource. Not so much emphasis now on corporate manslaughter as it is felt that it is more widely understood now.</p>	
<p>Relaunched - New Driver/Rider Awareness Program (NDA/NRA). A continual multi-agency program of sessions to promote safer driving for new rider/drivers.</p>	<p>Waiting for rollout of new packages from SSRP. Will still push this at Freshers and try for take-up with student councils- <b>update 11/16</b> package just undergoing final sign-off with SSRP so not ready to push forward at Collyers. Freshers at Collyers was very successful multi-agency event and a spin-off from this was a multi-agency provided session for NCS for around 50 teenagers with a NDA style presentation, driving simulators, reaction testing, beer goggles and a staged 2 vehicle RTC with 2 of the students being cut out from the cars by Fire &amp; Rescue.</p>	
<p>Community Speedwatch. Support for setting up and maintaining the local programs.</p>	<p>Ongoing. Support given when requested. Governance moving over to SSRP? <b>Update 11/16</b> Some Police preparation work going on at Watersfield following delivery of a petition about speeding on the A29. This will lead to some targeted enforcement activity and further 100 vehicle background counts as there are no suitable/safe areas to operate community speedwatch.</p>
