

Responses from the Polling Places Review

Respondent	Response	Local Authority/Returning Officer's comments
Councillor Tony Hogben	I have no objections.	Noted.
Councillor Nigel Jupp	I have no problem with Billingshurst Library being used as the village's polling station.	Noted.
Councillor Liz Kitchen	I am happy with the change at Kilnwood Vale.	Noted.
Councillor Jon Olson	I'd like to inquire why St. Leonard's is not be using for HHJA/HHJB as it had been in the October 2021 by-election? For many in the HHJA/HHJB districts Millennium Hall will be further away than St. Leonard's, and also across a rather busy road (Harwood).	Following investigation, and consultation with polling station staff, it seems that St Leonard's Church Hall would be the preferable location as it is within the ward.
