GO/2 **APPOINTMENT OF VICE-CHAIRMAN**

RESOLVED

That Councillor David Coldwell be appointed Vice-Chairman of the Committee for the ensuing Council year.

GO/3 **MINUTES**

RESOLVED

That the minutes of the meeting held on 1<sup>st</sup> March 2017 be approved as a correct record.

GO/4 **DECLARATION OF MEMBERS' INTERESTS**

There were no declarations of interest.

GO/5 **ANNOUNCEMENTS**

The Monitoring Officer advised the Committee that the final recommendations of the Local Government Boundary Commission for England (LGBCE) on the electoral review of Horsham had now been published. In respect of Council size the LGBCE had retained their draft recommendation that the Council should be increased from 44 to 48 Councillors. The only changes made from the draft recommendations as regards ward boundaries were to modify the boundary between Broadbridge Heath and Denne wards, in line with this Council's submission, and to change the name of the ward originally proposed as Shipley & Southwater South to Southwater South & Shipley, also part of this Council's submission. However, the LGBCE had retained its proposed boundary between the two Southwater wards, rejecting this Council's proposal.

The final recommendations would now be implemented by order subject to Parliamentary scrutiny to come into force at the local elections in 2019.

GO/6 **REVIEW OF THE CHANGES TO GOVERNANCE ARRANGEMENTS INTRODUCED IN 2016**

Mr Paul Kornycky addressed the Committee referring to the proposal that the review would seek the views of Members but that no public consultation was proposed. His statement also referred to the provisions within the Council's Constitution regarding questions by members of the public at meetings of the Council, which was not part of the current review.

The Committee was reminded that, in April 2016, the Council had agreed revised governance arrangements including the appointment of a Policy Development Advisory Group (PDAG) for each Cabinet portfolio holder with a defined membership and timetable of meetings. The agreed changes were intended to achieve:

- Member involvement
- efficiency, with clearer key-decision making responsibilities
- accountability, with a strong scrutiny function and a clear line of Cabinet Member accountability
- timely decision making
- openness, with published PDAG agendas and minutes whilst allowing the PDAGs to benefit from 'thinking space' meetings.

It was noted that, in future, all Council, Cabinet, Committee and Sub-Committee meetings held in public would be recorded using the Audiominutes facility.

Council had agreed that these revised governance arrangements would be reviewed after one year of operation. It was therefore proposed that all Members be invited to complete an electronic questionnaire, as submitted, over a four week period from 19<sup>th</sup> June to 14<sup>th</sup> July 2017 and that the Committee should then review the findings.

**RESOLVED**

- (i) That the review method described in the report be approved and the questionnaire circulated to all Members on 19<sup>th</sup> June 2017.
- (ii) That a further meeting of the Committee be held on a date to be agreed to receive a report on the results of the questionnaire.

GO/7 **WORK PROGRAMME**

The work programme was noted.

GO/8 **URGENT BUSINESS**

There were no matters of special urgency to be considered.

*The meeting closed at 6.03 pm having commenced at 5.30 pm*

District  
Council**

### **Findings of the one-year review of the changes to governance arrangements introduced in 2016**

#### **Executive Summary**

Full Council in April 2016 unanimously resolved a range of formal and informal changes to the governance arrangements operating at the Council in 2015/16. Council further resolved that a review of the effectiveness of those changes to the Council's governance arrangements in be undertaken in 2017, after one year of operation. The Governance Committee at its meeting in June 2017 resolved to undertake the review using an all-member questionnaire. This report provides the findings of that review and satisfies the resolution of Council.

#### **Recommendations**

The Committee is recommended:

- i) To endorse and support the findings of the governance review
- ii) In future, each Policy Development Advisory Group (PDAG) agenda item will be:
  - a) Described, in sufficient detail to make clear its purpose, on the agenda front sheet;
  - b) where appropriate a slide presentation will be given by officers, and the slides will be circulated to members of the PDAG thereafter; OR
  - c) where appropriate a paper explaining the topic and covering relevant issues will be circulated to PDAG members in advance of the meeting.

The decision on whether option b) or c) is appropriate will be for the Cabinet Member following discussion with the relevant senior officer(s).

- iii) A forward plan extract, listing all forthcoming key and non-key decisions within that cabinet members' portfolio of responsibilities, will be re-introduced as an agenda item to note at PDAG meetings
- iv) The frequency of meetings of the Community and Wellbeing, and Housing and Public Protection PDAGs be reduced from six to four per annum.

#### **Reasons for Recommendations**

- i) To satisfy council resolution CO/96 that the changes to the governance arrangements introduced in 2016, be reviewed.

## Background Information

### 1 Introduction and Background

- 1.1 The Governance Committee at its meeting in June 2017 resolved to conduct the one-year review of the governance changes made in 2016 using an all-member questionnaire.
- 1.2 A questionnaire approach was agreed to be broad enough to allow all members to participate and document their views. The Governance Committee would then receive and consider the findings.
- 1.3 The Council report of 27 April 2016 (CO/96 refers) described five desired effects of the changes to governance as follows:
  - **Member involvement:** Clear member advisory pathway at the earliest possible stage
  - **Efficiency:** Clearer key-decision making responsibilities
  - **Accountability:** Strong Scrutiny function. Clear line of cabinet member accountability
  - **Timely decision making:** Decisions, subject to advisory stage may be taken quickly
  - **Openness:** Published agendas, member attendance, and policy development advisory group conclusions, benefitting from 'thinking space meetings
- 1.4 The Governance Committee resolved that the achievement of the five effects described in 1.3 be tested by an all-member questionnaire from the Governance Committee.
- 1.5 The draft questionnaire was agreed by the Governance Committee at its June meeting and circulated to all members. The questionnaire was made available for completion from 19 June 2017 to 16 July 2017, and three reminders were sent.

### 2 Relevant Council policy

## Background Information

### 1 Introduction and Background

- 1.1 It is a legal requirement for the Council to have a Constitution under Section 9P of the Local Government Act 2000 (as amended by the Localism Act 2011).
- 1.2 The Council undertook a major review of the Constitution in 2016 resulting in the adoption of a revised Constitution by Full Council on 7 December 2016. At the same time as the adoption of a revised Constitution, Full Council created a Governance Committee.
- 1.3 One of the functions of the Governance Committee is to ensure that the Council's Constitution is kept up to date and fit for purpose. This includes receiving reports from the Monitoring Officer to amend the Constitution and to make recommendations to Full Council on any changes that are not covered by the Monitoring Officer's delegated powers.
- 1.4 The discharge of planning functions are delegated to the Planning Committees of the Council (Planning Committee North and South). These are currently set out in Part Three of the Constitution (Responsibility for and delegation of functions), Delegation of Functions 3:2:2 a) – c). The determination of Applications to the Committee are set out in 3.2.2 c) i. – vii. These delegations are set out in Appendix 1 to the report. Further under the Council's Scheme of Delegation to Officers, the Director of Planning, Economic Development and Property under Part Three of the Constitution at paragraph 3:6:2 has delegated authority for all operational and administrative matters relating to the discharge of functions of the Council relating to Town and Country Planning matters including development management **except for** those matters reserved to Planning Committee.
- 1.5 It is considered that there are a number of ambiguities currently set out in the Scheme of Delegation to the Planning Committee regarding the determination of applications under the Town and Country Planning Act 1990 and related Regulations. Under the Council's former Scheme of Delegation to the Planning Committee in the Council's old Constitution, there was a clear explanation of what applications would be considered by the Planning Committee and those that would be delegated. The previous scheme of delegation differentiated between planning applications and "minor applications" for example the discharge of conditions, non-material amendments, reserved matters applications, prior approval matters. If the application was a Council application, a member's or an Officer's application, these minor applications were excluded from the Director's delegated authority to determine and had to be determined by the planning committee, in all other instances those applications as described above would be delegated to the Director. The ambiguity that has arisen is that the term "Applications" which is referred in the delegation of planning functions to the Planning Committee in paragraph 3.2.2 of the Constitution is not qualified in any way. This means that all "minor" applications will have to be determined by Planning Committee.
- 1.6 To enable the efficient discharge of planning functions, changes have been made to the Delegation of Planning functions to the Planning Committee in order to address

the ambiguities that have arisen. These draft changes to Part Three paragraph 3:2:2 are set out as track changes in Appendix 2 to the report.

## **2 Relevant Council policy**

- 2.1 The Corporate Plan 2016-19 heading Efficiency – Great value services will be better enabled by a modern, agile constitution which if flexible, permissive, well-understood, and realigned to a model constitution in an accessible single-document format.

## **3 Details of the Proposed Variations and Amendments**

- 3.1 The draft changes to the delegation of planning functions to the Planning Committee under Part Three paragraph 3:2:2 of the Constitution are set out as track changes in Appendix 2 attached to this Report.

## **4 Next Steps**

- 4.1 These changes are not considered to fall within the delegations of the Monitoring Officer to make minor changes to the Constitution, if approved the Governance Committee will make a Recommendation to Full Council to make the changes to the Constitution. Following approval by Full Council the Monitoring Officer will publish the amendments on the Council's website.

## **5 Outcome of Consultations**

- 5.1 Consultation has taken place with the Director of Planning, Economic Development and Property and Service Managers.

## **6 Other Courses of Action Considered but Rejected**

- 6.1 The Constitution requires to be updated for effective governance it needs to be treated as a 'living' document with the need for frequent amendments to ensure it remains up to date and reflects the operation of the Council.

## **7 Resource Consequences**

- 7.1 There are no cost implications arising from these changes.

## **8 Legal Consequences**

- 8.1 Under Section 9P of the Local Government Act 2000 (as amended by the Localism Act 2011), it is a legal requirement for the Council to have a Constitution. It is the responsibility of the Monitoring Officer to monitor and review the operation of the Council's Constitution to ensure that the aims and principles of it are given full effect and to make recommendations for ways in which the Constitution could be amended in order to enable decisions to be taken efficiently and effectively.

## **9 Risk Assessment**

- 9.1 The recommendations within this report are part of mitigating corporate risk CRR08 described in the Corporate Risk Register. The risk source: The Council's decision-making processes are based on Constitution that is overly bureaucratic and unnecessarily complicated. Event: Non-compliance with the Constitution and delays in decision-making. The potential consequences described are: opportunities lost, complaints/claims/litigation/financial losses and lack of openness and transparency.

## **10 Other Considerations**

- 10.1 The Constitution and its Procedures, Rules and Codes act as an enabling tool in helping the Council meet its obligations under the Human Rights Act 1998 and the Equality Act 2010.
- 10.2 Consideration of how projects and proposals can secure environmental, social and economic benefits and reduce negative consequences should be an integral part of decision-making and the Constitution will facilitate such considerations.
