about us

NHS Horsham and Mid Sussex Clinical Commissioning Group is led by local doctors and health professionals and covers Burgess Hill, East Grinstead, Haywards Heath, Horsham and the surrounding areas.

The CCG is made up of the 23 GP practices in our area and is responsible for the health and wellbeing of more than 240,000 people.

We have a strong leadership team of local doctors, hospital consultants and nurses who are working alongside an experienced local management team to make sure that local services are providing the best possible care for local people. [Find out more >](#)

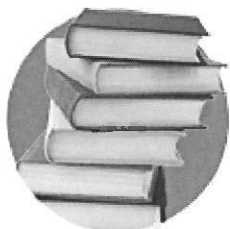

We are part of the Central Sussex and East Surrey Commissioning Alliance, a joint way of working across the five CCGs of central Sussex and East Surrey – Brighton and Hove, Crawley, East Surrey High Weald Lewes Havens and Horsham and Mid Sussex – that will allow the organisations to work closer together to commission services more efficiently and effectively for our local populations.

Our key publications can be made available in alternative formats, such as easy read or large print, and may be available in alternative languages upon request. To find out more, please see our [Accessible Information Standard commitment >](#)

Our Mission statement: To transform services in order to improve patient care and clinical outcomes by working with patients.
