

**Work Programme Suggestion Form**  
**1 3 2021**

**Name**

Michael Dyson

**Proposed Scope / Focus of Review**

Please Note. *This request does not relate to a planning application, rather that a political decision is sponsoring a promotion of a site for development by Horsham District Council (as landowners) rather than retaining its existing use as a golf course.*

1) Covenants

- a. In 1986 HDC paid £1,362,865 for the 132.2 Acres now popularly known as "Rookwood". This land was referred to as "The First Land" in the document and, at the same time, HDC purchased 2 bordering areas which were referred to as "The Second Land" and "The Third Land"
- b. The contract with the Vendors committed HDC to several obligations through "qualifying events" which appear to expire after 80 years for the first land. This short legal document should be reviewed by the Scrutiny Committee to assess what HDC are legally obliged to pay away for the benefit of previous owners if selling Rookwood now, versus waiting until at least after the expiry of the 80 years to 2066?
- c. The restrictive covenants are different for each of the 3 Lands and are specific to each. For example, the Fifth Schedule states that Approved Development in the second and third lands shall mean "for use as a hotel motel travel lodge or golf course".  
I ask, can HDC legally provide a School as offered as a possibility in their recent promotions?
- d. The s106 agreement in 1992 and the sale of part of Rookwood by HDC required a per dwelling plot size of not less than 0.13 hectares (0.32 acres). The current promotions by HDC ignore these requirements and would reduce the quality of the built environment.  
HDC in its capacity as the landowner owner seems to be unduly influencing HDC as a planning authority with insufficient segregation of the process, thereby avoiding scrutiny?

2) Finance

The financial justification for a near term sale, taking into consideration matters such as: -

- a. Transactional and marketing costs?
- b. Capital Gains Taxes that may arise from a sale?
- c. The 50% benefit that may be payable to the previous vendors IF sold within 80 years from 1986?
- d. Possible legal restrictions, and moral obligations?
- e. Review the net value of a sale now v keeping the site as an asset and an investment. If HDC need to invest to earn rental income revenue from affordable homes, it is possible to borrow via the PWLB at historically low rates.
- f. Some Councillors describe Rookwood Golf as loss making and "a bad debt" but few people with knowledge of the finances agree. In fact, in non covid times I believe the facility has been running at surplus and I ask if is possible this surplus could be greater if the management is not outsourced to British Ensign Golf of Slinfold?

### **Your Rationale for Selection**

- 1) HDC are managing and sponsoring a PR initiative, with outsourcing to Land Promoters, to show what may be aspirational to some of the community if Rookwood is confirmed as a development site following the Regulation 19 Consultation.  
The sponsors have taken on board many of the responses from Regulation 18 consultation but most of the output is purely hypothetical. It is not an approved planning application. Indeed, if approved, Land Developers will study the proposals and consider them in relation to the restrictions and obligations that were legally binding from 1986. They will also seek to maximise their own returns.  
These vendor obligations need to be studied as soon as possible and before voting.
  
- 2) I am fearful that HDC are rushing into a sale of one of the few remaining high value assets prematurely?  
Aside from the green space arguments, if the land must be sold, which I doubt, surely it would be better retaining the irreplaceable asset, as an investment, and sell at a time when HDC will enjoy 100% of the benefit whilst continuing to benefit from the income receipts from the land?

### **Desired Outcomes/Objectives/Possible Terms of Reference**

Much has been said, both for and against, the proposed development at Rookwood.

The choices our Councillors make will be make a significant impact in Horsham for generations to come and I am hopeful that the Scrutiny Committee can take a step back, and independently check the facts before any decisions are made. In fact, I am not sure how Councillors can vote on such an important transaction without first knowing the full details of my points 1 and 2 above?

### **Other Comments**

Following the closure of other golf courses in the district, is it not incumbent on HDC to look at the business and leisure case for the continuation of Rookwood Golf, taking these into account, and to publish this before determining the alternative uses of the site?
