RE: APPLICATION FOR THE GRANT OF A NEW PREMISES LICENCE UNDER THE LICENSING ACT 2003 FOR THE DEER PARK, LEONARDSLEE LAKES AND GARDENS, BRIGHTON ROAD, LOWER BEEDING, WEST SUSSEX, RH13 6PP.

Dear Mr Boyle,

Sussex Police have no objection to the principal of the application, however while the operating schedule provided identifies a number steps to address the licensing objectives, it is considered that additional measures are necessary. Sussex Police propose the following amended condition which should not prove onerous on the day-to-day operation of the premises:

- Events planned after the grant of the License will be subject to an EMP which must be submitted to the Licensing Authority and Responsible Authorities at least 2 months before the date the event is due to start, and it will be required to be approved by them before the event can be authorised by the Licensing Authority to go ahead. There will be no more than 12 events submitted per calendar year.

Therefore Sussex Police invite the licensing committee to grant this application with conditions.

Please see the email trail regarding the agreement of the amended condition which is underlined.

Regards,

Darran Middleton
