Chris,

Thanks for checking and as per our previous conversation please always do ask questions just in case one day you flag one up we have missed!

I looked at this one and decided due to the nature of the premises and the good conditions already offered not to ask for any changes. That does not happen very often!

If you disagree and think there should be changes or a rep from us, please give me a call in the morning when I am back in the office.

David
