Background Information

1 Introduction and Background

Background

- 1.1 This progress report covers work completed between 1 April 2022 and 30 June 2022.

Supporting Information

- 1.2 The current annual plan for internal audit is contained within the Internal Audit Strategy and Annual Plan 2022-23 which was approved by the Audit Committee on 30 March 2022.

2 Relevant Council Policy / Professional Standards

- 2.1 The Accounts and Audit (England) Regulations 2015 state that: "A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance". This responsibility is discharged through the Orbis Internal Audit team.
- 2.2 The Council's Constitution supports the statutory requirements outlined above. Financial Procedure Rule 4e 27 states that: "The Chief Finance Officer ensures the Council has appropriate arrangements in place to maintain an adequate and effective internal audit. The terms of reference for Internal Audit are detailed in the Council's Internal Audit Charter which is approved and reviewed annually by the Audit Committee".
- 2.3 Internal Audit follows the mandatory standards set out in the Public Sector Internal Audit Standards (PSIAS) published by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Chartered Institute of Internal Auditors.

3 Details

- 3.1 Key audit findings from final reports are summarised in Appendix A.
- 3.2 Three formal audits were finalised during the quarter (one relating to the 2021/22 audit plan, and two relating to the current financial year). Two of the audits received an opinion of 'reasonable assurance', and the other, an opinion of "substantial assurance".
- 3.3 Formal follow up reviews continue to be carried out for all audits where 'minimal assurance' opinions have been given and for higher risk areas receiving 'partial assurance'. Progress on action tracking is provided in Section 3 of Appendix A.
- 3.4 Flexibility is built into the audit plan to allow resources to be directed to any new and emerging risks. We continue to liaise with departments to identify these but would also welcome input from Members. Details of those reviews added and removed from the plan this year are set out in section 4 of Appendix A.
- 3.5 Progress against our performance targets (focussing on a range of areas relating to our service) can be found in section 5 of Appendix A.

4 Next Steps

- 4.1 The Committee will be kept informed about progress in terms of the delivery of the audit plan for 2022/23.

5 Outcome of Consultations

- 5.1 Heads of Service / Service Managers are consulted during each audit. At the end of each review, audit findings are discussed with the relevant Head(s) of Service at a final meeting, and actions are agreed. An action plan is incorporated into the final report including details of responsible officers and agreed implementation dates. There are occasions when a director may also be consulted, particularly for audits which span a number of departments.

6 Other Courses of Action Considered but Rejected

- 6.1 Not applicable.

7 Resource Consequences
