

Fair Space Task and Finish Group

Terms of Reference:

- 1) Identify policies that will be subject to detailed review on the basis of sex-based equality and inclusivity.
- 2) Gather data to determine public perceptions and impacts of current public space provision in terms of sex-based inclusivity.
- 3) Identify the needs and wants of older girls and teenagers (aged 12 to 17) in terms of outside space and leisure provision.
- 4) Create new policy to sit alongside existing policies. New policy will help shape the provision of outdoor space and leisure facilities going forward. Where prudent, existing policies (from 1) due for renewal will be updated to incorporate the new policy.
