This letter of representations is provided in connection with your audit of the financial statements of Horsham District Council (“the Council”) for the year ended 31 March 2017. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the financial statements give a true and fair view of the Council financial position of Horsham District Council as of 31 March 2017 and of its income and expenditure for the year then ended in accordance with CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2016/17.

We understand that the purpose of your audit of our financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK and Ireland), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

5. We believe that the effects of any unadjusted audit differences, summarised in the accompanying schedule, accumulated by you during the current audit and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. We have not corrected these differences identified by and brought to the attention from the auditor because it impacts in a large number of areas throughout the statements.
6. We believe that the uncorrected misstatement identified in the prior year rectifies itself during 2016/17 as it related to a provision as at 31 March 2016 and as such no adjustment is required.
